

## **BOB KLOSTERBUER**

Bob Klosterbuer wasted little time in becoming a successful sprint car driver. In 1989, his first year in a sprinter, Klosterbuer won the Huset's 360 sprint car championship. He was a successful racer prior to that, dominating area mini-sprint races. In 1988, he won 38 of the 50 mini-sprint feature events he started. Klosterbuer finished in the Top 10 in points at Huset's, Lake County Speedway in Madison, South Dakota and Rapid Speedway in Iowa numerous times. Although suffering a broken back in a racing accident in 1991, he returned to race three more years and was named Sportsman of the Year at Huset's in 1992.
